PARIS, KENTUCKY, TUESDAY, OCTOBER 6, 1914.

AT THE TABERNACLE.

Friday night the Tabernacle was turned over to students of the Paris High School. Evangelist Ham preached a special sermon. The building had been decorated by a committee under the direction of Miss Ellen Henry. Songs and cheers were given under the direction of Prof. Proctor, while the High School band, under the leadership of Prof. Prentice Lancaster, rendered a selection of instrumental music.

The way to the Tabernacle is now pointed out by a big electric cross over the main entrance.

Saturday night a large crowd gathered in front of the Court House, from where, after singing of hymns, they marched to the Tabernacle, headed by the Paris High School Band. At the Tabernacle appropriate services were held.

Sunday morning Evangelist Ham addressed a big audience, taking as subject, "Separation." In the afternoon he spoke to an audience of men only on "Tests of Manhood." At the evening service the house was filled to overflowing, with a crowd that heard the Evangelist preach on the subject of "The Judgment."

On account of yesterday being County Court Day, no meetings were held.

Special nights will be set aside for the fraternal organizations, which have been invited to attend in a body.

In order to furnish protection for the audience against inclement weather, the Tabernacle has been lined with heavy building paper, insuring comfort and warmth.

Interest in the meetings continues to grow and the crowds that attend. The business men of Millersburg will be asked to close their stores from 3 p. m. to 4 p. m. on Wednesday afternoon. The services will be conducted at 3 p. m. in the Methodist Church. Evangelist Ham will preach. Chorister Ramsey will sing and Mr. Matthews play.

The record of attendance up to date show the total of 48,200, with collections totaling \$618.37. And the end is not yet.

Crowds of men and women from all over the county have been attending the services and the capacity of the Tabernacle has been sorely taxed.

An open field near the site has been secured for the accommodation of county visitors and abundant room will be provided for all kinds of vehicles.

So many inquiries have been made as to when the Ham-Ramsey meetings would close that it was announced from the rostrum during the Sunday afternoon meeting that the evangelists would remain until about January 1, or until they had "succeeded in driving the devil from Paris." They intend in effect that they did not intend to be driven away by either bad weather or unfair criticisms; that they had a ton of coal stored away, and the Tabernacle had been made perfectly comfortable and secure against any possible sudden changes of weather; that Paris people would see a more aggressive plan of campaign especially suited to local conditions, and that it would not stop until they had driven the devil and all his associates far beyond the confines of Bourbon County.

HIGH SCHOOL ATHLETIC ASSOCIATION ORGANIZED

At a meeting of representatives of the Central Kentucky High Schools held in Lexington, Saturday, an organization for the purpose of regulating, developing and purifying high school athletics in Central Kentucky towns was perfected with the following officers: Prof. W. O. Hopper, of Mt. Sterling, president; Prof. R. I. Cord, of Cynthiana, vice-president; Prof. M. E. Ligon, Lexington, secretary-treasurer.

The meeting was held in the Morton High School, at 9:30 Saturday morning, and was attended by representatives from Lexington, Paris, Mt. Sterling, Maysville, Cynthiana and Frankfort. Paris was represented by Prof. T. A. Hendricks, Superintendent of the Paris Public High Schools.

The feature of the association will be that all basketball, baseball and football schedules will be arranged and published before the season starts. All games will be played under uniform contracts and the by-laws of the association.

Before the meeting adjourned it was decided to have representatives of all schools meet at Cynthiana at the end of the basketball season and contest there for the State High School Championship.

EASTERN STAR GUESTS.

At a recent meeting of the local Chapter of Eastern Star, Mrs. Sadie M. Turgeley, of Owensboro, Worthy Grand Matron, and Mrs. Julia Vinzner, of Lexington, Associate Grand Conductress, were honored guests. During the hours dainty refreshments were served. Other guests of the Chapter were: Mrs. Williamson, Mrs. Norfleet and Mr. Vinzner, of Lexington, and Miss Emma Smith and Mr. Newton Smith, of Lexington.

"WETS" TO CONTEST.

Attorneys John Williams and Denis Dutton, representing the saloonists and liquor men of Paris, on Saturday night filed in the County Court notice of contest of the local option election held in this city and county on Monday, September 28th. The notice of contest is published in full in this issue of the Bourbon News.

COUNTY CHAIRMAN SELECTED.

State Chairman Thomas S. Rhea has selected Mr. William G. McClintock, of Paris, to fill the important position of Democratic Chairman of Bourbon County during the coming election, and he will shortly select an active campaign committee with representation from every precinct of the county, and begin an energetic campaign in behalf of the Democratic ticket this fall.

It must be remembered that a vote against the Democratic nominees is a repudiation of the brilliant administration of President Woodrow Wilson. A number of United States Senators are to be chosen in several States and Kentucky has the privilege of selecting two. Upon these selections may depend the success or failure of the Democratic administration at Washington, hence every Democrat in the State is charged with a greater responsibility than ever before.

We feel sure that the Democrats of Kentucky, and of Bourbon County, will acquit themselves like men by giving the Democratic candidates the greatest majority ever received, and it is the purpose of Chairman McClintock, to wage an intelligent thorough and vigorous campaign in order that Bourbon County may do its full share in securing the desired result in the State.

FRANKLIN COURT REVERSED.

The judgment of the Franklin Circuit Court in the case of H. M. Bosworth vs. George Batterton, County Attorney of Bourbon County, was reversed by the Court of Appeals last Tuesday.

Mr. Batterton, as County Attorney of Bourbon County, prosecuted the case of the Sheriff of Bourbon County against Laura Belle Judy's administrator to recover inheritance tax on the State. The Commonwealth recovered a judgment of \$28.75. Batterton filed suit in the Franklin Circuit Court against Auditor Bosworth to obtain a mandamus requiring him to issue a warrant in favor of Batterton for \$4.31, being fifteen per cent. of the amount of tax collected. The lower court awarded the mandamus. The Appellate Court says the question to be decided in the case is whether a County Attorney is entitled to 15 per cent. of the tax. The Court held that it is part of the County Attorney's duty to prosecute these cases.

JURY DISAGREES.

In Judge McMillan's Court, Saturday, the jury in the case of the Commonwealth of Kentucky vs. Wm. M. Kenney, of the Hutchison neighborhood, was unable to agree upon a verdict, and was ordered discharged.

The action was based upon an affidavit made by Mrs. Ida Kenney Riske, of Midway, a daughter of Mr. Kenney, alleging that he was no longer able to manage his own affairs, and asking the court to appoint a trustee to manage and care for his estate. The testimony showed that Mr. Kenney has an estate valued at about \$20,000 and the jury, after hearing the evidence as to the mental condition of Mr. Kenney was unable to arrive at a definite conclusion, and was discharged.

Mr. Kenney, who is about eighty years of age, has been in failing health for a number of years. He has three daughters, Mrs. Ida Kenney Riske, of Midway; Mrs. Erdman, of Lexington; and Mrs. Thomas, who makes her home with him, and two sons, Ben. Kenney and "B." Kenney.

PARIS BOY TO GO TO THE PHILIPPINES.

Emerson Galloway, a graduate of the Paris High School, and a senior in the College of Agriculture at State University, has received from Mr. Lester H. Dewey, United States Botanist, in charge of fiber investigation, an appointment as Inspector of Fibers in the Philippine Islands. The salary is from \$1,600 to \$2,000 a year. Mr. Galloway will sail from Manila on the steamer "Mangolia" on October 24th.

After the first six months, during which time he will be engaged in becoming acquainted with his duties, Mr. Galloway will take up the work of inspecting the hemp and other fibers that are shipped from the island, and will supervise the baling of the product.

For several years Mr. Galloway has been engaged in working in hemp in this county, and has come to be recognized as an authority.

He will make a visit here soon to arrange for his trip to his faraway home.

TOBACCO STICKS.

Just received, a car load of sawed oak tobacco sticks. Both phones. BOURBON LUMBER COMPANY.

STATE PULVER.

The State Pulver doing free work for farmers for fertilizing purposes is now at Miss Lillian Headley's farm near Mt. Horeb Church, in Fayette County. The route lies from there through Bourbon, Nicholas and Mason counties. Parties desiring the use of this machine should address R. A. E. Leslie, Lexington, Ky., at once for full details.

ATTENTION, DEMOCRATS.

Democrats, don't fail to register To-day, Oct. 6th, if you fail to register on to-day you will be barred from voting in any election for 12 months. Register.

STREET RESURFACING COMPLETED.

That the contractors in charge of the resurfacing of Main Street have made an excellent job and have also made unusually good time in finishing, considering the many delays to which they were subjected in the start, is the universal verdict of the people of Paris.

The street was practically finished Saturday night, when the big steam roller put the concluding touches on the bitulithic near the store of Bramlette & Tarr, Third Street, between Pleasant and Main, was also resurfaced, the expense being divided between the merchants and business men of that vicinity and the city of Paris.

The new street was thoroughly tested out Sunday by scores of automobiles and pronounced "perfectly splendid" by all. The tendency now will be to exceed the speed limit. The temptation to "burn the wind" on the new surface will be very hard to resist, and the police will have plenty to do in warning and restraining the ambitious speeders.

The working force was busy yesterday in cleaning off the surface of the new street for the inspection of the city officials. The machinery and material was shipped last night to Parago, Ark., where the firm has a big contract of the same kind of paving to put in.

Superintendent Barnett speaks in the highest terms of praise of the Paris people and the consideration shown him and his work during his stay here.

DEATHS.

YARNALL.

—Nora May Yarnall, six-months-old daughter of Mr. and Mrs. Henry Yarnall, died at the home of its parents, near Jacksonville, Thursday morning. The body was interred in the Jacksonville cemetery Friday morning.

DENNIS.

—Following a long illness of cancer of the bladder, Mr. L. Q. Dennis, one of the best-known residents of North Middletown, died at his home in that city, Wednesday morning. He leaves a widow, formerly Mrs. Mary Parris, sister of Mr. H. C. Peter, postmaster of North Middletown. He leaves three children by his first wife, Southa Dennis, of Germantown; Clay Daniels, of Maysville, and Mrs. Milliken Kincaid, of Florida, who was unable to be present. Funeral services were held at the grave in the North Middletown cemetery, conducted by Eld. John Christopherson.

STUART.

—Mrs. Georgia Williams Stuart, widow of John Stuart, died at the family home on Pleasant Street, Friday morning, at one o'clock, following an illness of several years from rheumatism.

Mrs. Stuart was the daughter of Major George W. Williams, one of the most prominent of the early residents of Paris, both in the political, business and religious life of the community. He and his excellent wife reared a large family of children and the family was one of the most cultured and well-known in the Blue Grass section. Only three daughters of the large family now remain, Mrs. Thos. Henry Clay, Miss Winifred Williams and Miss Lou K. Williams. The home where Mrs. Stuart and the Misses Williams lived together is one of the most popular homes in Paris, on account of the cheerfulness and hospitality of the invalid sisters. Mrs. Stuart had been confined to her invalid chair for a long time, but was in her usual health until last Friday evening, when she became suddenly ill, and her illness baffled the skill of physicians and loving care. She is survived by an only son, Mr. George W. Stuart, of this city, and the sisters previously mentioned. She was the sister of the late Mr. Frank Williams, of Lexington, and an aunt of General Roger Williams, Lexington.

Mrs. Stuart was a devoted member of the Christian Church, and before her illness was an active member of the C. W. B. M., the Paris Literary Club, and of the W. C. T. U.

The funeral was conducted by Rev. W. E. Ellis at the residence on Pleasant street, Saturday afternoon at 3:30 o'clock. Burial took place in the Paris cemetery.

The active pall-bearers were Gen. Roger D. Williams, John Prall, Alfred Clay, George W. Clay, T. H. Clay, Jr., Duncan Bell, William Taylor, Lewis Taylor, all nephews of Mrs. Stuart. The honorary pall-bearers were Geo. R. Bell, T. H. Clay, Sr., Col. E. F. Clay, Judge R. L. Stout, W. L. Yerkes, Buckner Woodford, J. T. Hinton, J. W. Davis.
